

LINESPOT II MIDBAY EMERGENCY LIGHT TWS8892WAT

Self-contained Escap Emergency light with 1 h Super Capacitor and Wireless Central Monitoring

The Linespot II Midbay is a surface-mounted emergency light. The luminaire's optics are designed to provide a long and narrow light pattern that illuminates corridors and escape routes efficiently.

Thanks to the IP44 enclosure class, the Linespot II is also suitable for damp areas. The luminaire is easy and fast to install, thanks to a separate mounting base, which is also connected to the power supply.
